CALITERRA

AT HOME WITH NATURE

The Parks

Caliterra is all about the great outdoors; half of the development—more than 250 acres, in fact—is devoted to green space.

The Cove

Nestled among the Live Oak trees, our pool complex features a children's wading pool with a beach entry covered by a shade sail.

The Hall

Our community hub offers a great place for neighbors to gather – or relax with a glass of Texas wine to watch a spectacular sunset.

The Trails

Meandering throughout the community is an extensive trail system along Onion Creek and through beautiful live oaks.
