OPEN HOUSE WEEKEND! March 27th - 29th | 11AM - 6PM Daily

This weekend is the perfect time for your customers to explore what's new from Jones Homes USA. Join us at any of our Central Florida communities and discover thoughtfully designed homes with included luxury features. Walk through innovative floorplans, experience open living spaces, and discover the design features that make these homes feel both functional and inspiring. From welcoming kitchens and flexible living areas to private retreats designed for everyday comfort, each home is built for the way they live today.

Our new home consultants will guide them through the homes and home-buying process, and connect your customers with preferred lenders who can help you explore flexible financing opportunities that make finding their new home even easier.

Whether they're just starting their search or ready to make a move, this weekend is the perfect opportunity to see what makes a Jones Homes USA community different!
