Park Square Home Mortgage, LLC is an independent mortgage lender and is not affiliated with or endorsed by the U.S. Department of Veterans Affairs or any other government agency.\*Scenario is an estimate only and is based on a 660 FICO Score, on a 30-year (360 months) FHA 5/1 adjustable-rate mortgage at a sales price of \$350,000, 3.5% down, 96.5% LTV, loan amount of \$343,660 including up-front MIP, initial fixed rate of 3.75% and APR of 6.903% for the first 5 years, which would result in a principle and interest monthly mortgage payment of \$1,591.74. Payment scenario does not include, property taxes, homeowners insurance and HOA fees (if applicable) and the actual payment obligation will be greater. Then starting in year 6, the interest rate may adjust every year (12 months) based on a current CMT (Constant Maturity Treasury) and 2.00% margin, currently yielding a max estimated 8.75% variable rate, which results in a max estimated monthly payment of \$2,703.57. The initial 3.75% rate shown reflects a builder-paid forward commitment used to buydown the market rate. The forward commitment is available on government loans only and is subject to availability of funds, which is confirmed with a full loan approval and rate lock. The APR is based on the home price and loan scenario outlined above. Your actual payment terms may differ depending on the final home sale price and the loan program you select. Borrower is not required to finance through PSH Mortgage but must use them to receive the forward commitment rate incentive. See a Park Square Homes representative for details.
