Advertised FHA scenario is an estimate only and is based on 640 FICO score on a total FHA loan amount of \$343,660 for a purchase price of \$350,000, at a 96.5% LTV, 30 year agreement (360 months) with a rate of 4.99% and APR of 5.769%, resulting in a monthly payment of \$1,842.74. Monthly payments include principal and interest but do not include taxes or insurance; actual payment obligation will be greater. *The 4.99% rate (FHA) is based on builder paid forward commitments to buydown the market rate (1 point = 1% of the loan amount). The forward commitments may not be available on all loan programs and are subject to availability of funds, which is confirmed with a full loan approval and rate lock in. Homes must close prior to forward commitment expiration to qualify; see your Park Square Homes representative for further details on expiration terms. This forward commitment requires a minimum credit score of 640 for Government loans and 720 for Conventional loans; exceptions may apply for lower scores.
